

God bless you. This RAPTURE KIT from the *I Am A Watchman* ministry was given to you by someone who cares for you. It was prepared in advance of an anticipated event known as the Rapture—the *sudden disappearance of millions of individuals around the world*. It is likely that the person who anticipated this event and planned for you to receive this Kit is no longer here. Take heart. If they vanished in the Rapture then they are safe, happy, in heaven, and celebrating with God. The material in this resource is designed to provide comfort and council—it will help you understand what has happened, what to do now, and how to prepare for what is to come.

The recent disappearances are the fulfillment of Bible prophecy and an indicator that an unprecedented time of war, judgment and tribulation is about to begin. It is predicted that half of the world's population will die during the 7-year Tribulation Period in two massive waves. For now, just realize that more than 900 Bible prophecies have already been fulfilled - the accuracy rate is 100%. Assuredly, the rest will also be fulfilled during our long-awaited conclusion to the redemption plan God established for the world through His Son Jesus Christ.

## Section 01 – Information for the Rapture Kit Sender

There is an 11-page PDF document that explains what the Rapture Kit is, how to use the Rapture Kit before the Rapture, important links to legal resources should the Sender wish to include legal documents, and five (5) sample letters to introduce the Rapture Kit resource to the recipient.

## Section 02 – First things first

This is the recommended starting point for discovering what just happened and why. There are two important videos:

**Did Many People Just Disappear** (15-minutes, from Lamb & Lion Ministries) is a docudrama that will reveal what happened and how your friends and loved ones—now in Heaven—anticipated this event and their desire for you to come to salvation and reunite with them soon.

**What Just Happened to all the Missing People** (39-minutes) Tyler and Tom give a heart-felt message that reveals the TRUTH of why millions of people are now gone!

**After the Rapture- Left Behind?** (1hr 6-minutes) Prophecy Update presents a thorough explanation of what you have just witnessed - It's not too late to be saved!

**What Just Happened** (56-minutes) will go through a broader explanation of what happened, including a presentation on the theology of the Rapture and Bible Prophecy and next steps that you should consider to be saved so as to inherit eternal life in Jesus Christ and avoid the consequences of unforgiven sin and a hard heart towards God.

**Post Rapture Emergency Message** (4 audio files, about 1.5 hours total) is an urgent plea for those that are left behind. Translations of the first 3 audio files are available in Arabic, Bengali, French, Hebrew, Hindi, Indonesian, Japanese, Portuguese, Russian, Simplified Chinese, Spanish, and Urdu. The fourth audio teaching is on the subject of "Aliens" – specifically, alien deception and is only available in English.

## Section 03 – Bibles

There are several Bibles in PDF format for supporting the rest of the materials in the Rapture Kit. We include Bibles that are all in the public domain. These include the King James Bible, the American Standard Bible, the World English Bible, and a HTML-based version of the American Standard Bible. These Bibles use Adobe Acrobat PDF format which is widely adopted on virtually all Mac and PCs. As such, the PDF Bibles are offline and are capable of discrete use without requiring an online browser. This is done to protect private underground small groups wishing to study in secrecy. The HTML-based version has all pages stored locally on the Rapture Kit USB drive in a subdirectory and is offline from the Internet even though it uses a browser. Double-clicking the index.htm page will load this version into a browser.

We have also included the Open Bible web app in a 1GB zip file. This amazing resource contains: Berean Study Bible, King James Version, American Standard Version, Darby Bible Translation, English Revised Version, Young's Literal Translation, Parallel Translations, Cross Reference and Treasury of Scripture Knowledge, Parallel Commentaries, Strong's Lexicon (BSB, YLT, KJV), Hebrew Text Analysis, Bible Book Outline.

## Section 04 – Books

The IAAW team has included 16 eBooks (in PDF format) with over 1,800 pages of information that will assist the Rapture Kit recipient during the Tribulation Period. Importantly, there are several targeting Bible Prophecy, guidance on what to do, and learning and discipleship resources to grow their young faith. There is one additional eBook contribution from Apologist Charlie Campbell on Teaching and Preaching God's Word as well as a Bible Prophecy Timeline (in English and Spanish) for a total of 19 PDF documents.

Furthermore, we have included more survival-focused content. How to build a bug-out bag, Edible Plants, First Aid, Survivability, Camouflage Concealment, Survival Manual, Bushcraft, and Hunting with snares.

## Section 05 – Discipleship Study Materials

Included are video teaching presentations on Nehemiah (video format, 10 minutes), Reasons to Believe (3-part video series, 1 hour 18 minutes), The Gift of Salvation - How to be Saved (video format, 24 minutes), The Story of Jesus Bible Study (3 eBooks, 496 pages in PDF format for with 10 PowerPoint instructor slide decks), The Wonders of Bible Prophecy (7-part video series, 1 hour 54 minutes), and What it Means to be a Watchman (video format, 18 minutes). In all there is over 4 hours and 17 minutes of instruction.

## Section 06 – What Tribulation Saints Need to Know

In this series, taught by I Am A Watchman founder Scott E. Townsend, we unpack extensive teachings balancing "speaking the Truth in love" with "brutal honesty" about what Tribulation Saints must know and what they will face. This collection contains 14 videos with over 5 hours of teaching, strategy, exhortations, and principles for the Tribulation. Topic areas include: Fear, The Grace of God, Reliability of Bible Prophecy, What Will Happen, Your Ministry Calling, Evangelism, Your Seal, The Mark of the Beast, What You Must Discern, Your Destiny, Finishing Well, and a final Personal Message from Scott.

## Section 07 – Sermons and Teachings

We have curated several sermon and teaching series (with permission) to get Tribulation Saints up to speed as quickly as possible. We have contributions from apologist Charlie Campbell ("The End Times - Ten Upcoming Events in Bible Prophecy", 1 sermon, video format, 58 minutes), evangelist Nathan Jones and Pastor Vic Bautista (Book of Daniel chapters 8-12, 16 teachings, audio format, 10 hours 34 minutes), Pastor Brandon Holthaus (Book of Revelation, 45 sermons, audio format, 32 hours 31 minutes), Pastor Dr. Andy Woods (Book of Revelation, 75 sermons, audio format, 84 hours 19 minutes), Pastor Gary Ray (Various subjects, 9 teachings, audio format, 2 hours 46 minutes), Pastor Jack Hibbs featuring Amir Tsarfati ("Things You Should Know", 1 video, 56 minutes), and Pastor Tom Hughes (Book of Revelation, 40 sermons, video format, 29 hours 27 minutes).

These sermons and teachings consist of a combined total of 130 hours in MP3 audio files, and 39 hours of video files.

## Section 08 – Additional Articles

This is a collection of 64 IAAW articles published since 2018 covering a wide range of topics meant to encourage, equip, and train Christ Followers to finish well. As Watchmen ourselves, you will notice a bias towards how every believer should “watch and warn”. For us—those that were Raptured and now in Heaven—our Warning to others consisted of telling people that there is an urgent call to repent and believe so as to have a genuine relationship with Jesus Christ and escape the Tribulation period. For you—those left behind—your role to “watch and warn” has to do with helping to establish a second chance rescue effort to reach and bring as many as possible to faith in Jesus Christ, to NOT take the Mark of the Beast, and to finish strong and well before the Second Coming of Jesus Christ at the end of the 7-year Tribulation Period.

## Section 09 – Partner Content

All partner content (to date) is now curated as of August 2025. We have removed all of the content from this folder and replaced it with a new folder structure that is more organized and easier to navigate. The new folder structure is as follows:

- Britt Gillette - All 4 of his book series.
- CO Wyler - The complete 4 book "Untaken" series.
- FluidicIce - Has 4 PDF resources, including a 293 page "The Rapture Survival Guide"
- Raspberry PI Server Solutions
  - Scott Townsend - RKPi5 - Rapture Kit captive portal server hotspot

## PLATFORM SUPPORT

The USB Drive (either 2.0 or 3.0) is compatible with any Mac, Linux, or Windows-based PC's capable of loading any at least USB 2.0 (USB 3.0 is preferred) specification or higher and that have current drivers to support .PDF Documents, .MP3 audio files, and .MP4 video files.

Video (MP4) and audio (MP3) can also be played from many contemporary TV platforms (such as Samsung, Sony, LG...). This is intentionally purposed for small, private, underground Christ Followers seeking to finish well during the Tribulation period. As such, it facilitates group study and discussion.

### How to use a Rapture Kit before the Rapture (before the Rapture)

The Rapture Kit ministry is designed to prompt individuals to share that the return of the Lord is near and provide for those who will be left behind. Those who download Rapture Kits are encouraged to:

Prayerfully discern who they can share this information with.

Pray for, witness to, and spend time building relationships with unsaved individuals.

1) Communicate to your intended recipients that:

- A Rapture Kit is being prepared for them.
- It is important to be spiritually prepared for the Rapture.
- You would welcome the opportunity to talk and pray about how to be spiritually prepared for the return of Jesus.
- If they choose not to become a believer in Christ and one day hear that millions of people across the globe suddenly vanish, the Rapture Kit will provide resources to help them understand what happened, find hope and navigate the difficult years to come (the Tribulation period).

Or,

2) Tell the recipient of the Kit that you want them to be saved, how to be saved, and that a Rapture is coming. Tell them that you have ordered or downloaded a Kit and where you are storing it for them. Let them know that you are praying they will never need to access the Kit, but just in case they are not spiritually prepared, and the Rapture takes place, the Rapture Kit resource will help them understand what has happened and what is to come.

### How a Rapture Kit can be used after the Rapture

Those who receive a Rapture Kit will find a What Has Happened? video teaching. The video explains what has happened, it imparts hope, it notes how the Rapture was foretold in the Bible, and it profiles what is coming and best next steps. Rapture Kits include resources designed to draw individuals to faith (there is information for skeptics, information about who Jesus is, and information regarding how to be saved and receive grace, forgiveness, and eternal life).

Rapture Kits include resources designed to help individuals grow in their faith, develop their spiritual gifts and move into Christian service. Resources are designed to equip individuals to become ministry leaders in the Post Rapture world.

Rapture Kits include resources designed to help individuals understand Bible Prophecy and the key doctrines of the Christian faith.

Rapture Kits include resources designed to equip individuals to share their faith.
